

EMPOWERING RECOVERY WITH BHG'S PEER SUPPORT SPECIALISTS

Imagine providing patients with an experienced guide who has been through the challenges they're facing.

At Behavioral Health Group (BHG), we offer locally-based Certified Peer Support Specialists to help with the journey to recovery. Our specialists provide peer-based, non-clinical recovery support dedicated to helping individuals navigate recovery beyond the early stages of treatment. They focus on guiding patients from initiation and stabilization into long-term recovery maintenance, ensuring they have the support needed every step of the way.

BHG provides comprehensive services to tens of thousands of individuals and their communities across the country. BHG is the largest network of treatment centers accredited by The Joint Commission.

- Resource Navigation
- Recovery Skills
- Advocacy & Mentorship

WHY PEER SUPPORT MATTERS:

Personal Experience: Our Certified Peer Support Specialists provide real-world guidance from personal experience with recovery to help connect and relate to each individual.

Ongoing Engagement: We offer support beyond early treatment stages, building the foundation for long-term success in recovery.

Community & Connection: We help patients develop meaningful connections in the community, enhancing their recovery journey and future opportunities.
